WIRELESS POWER TRANSFER

PROOF OF CONCEPT

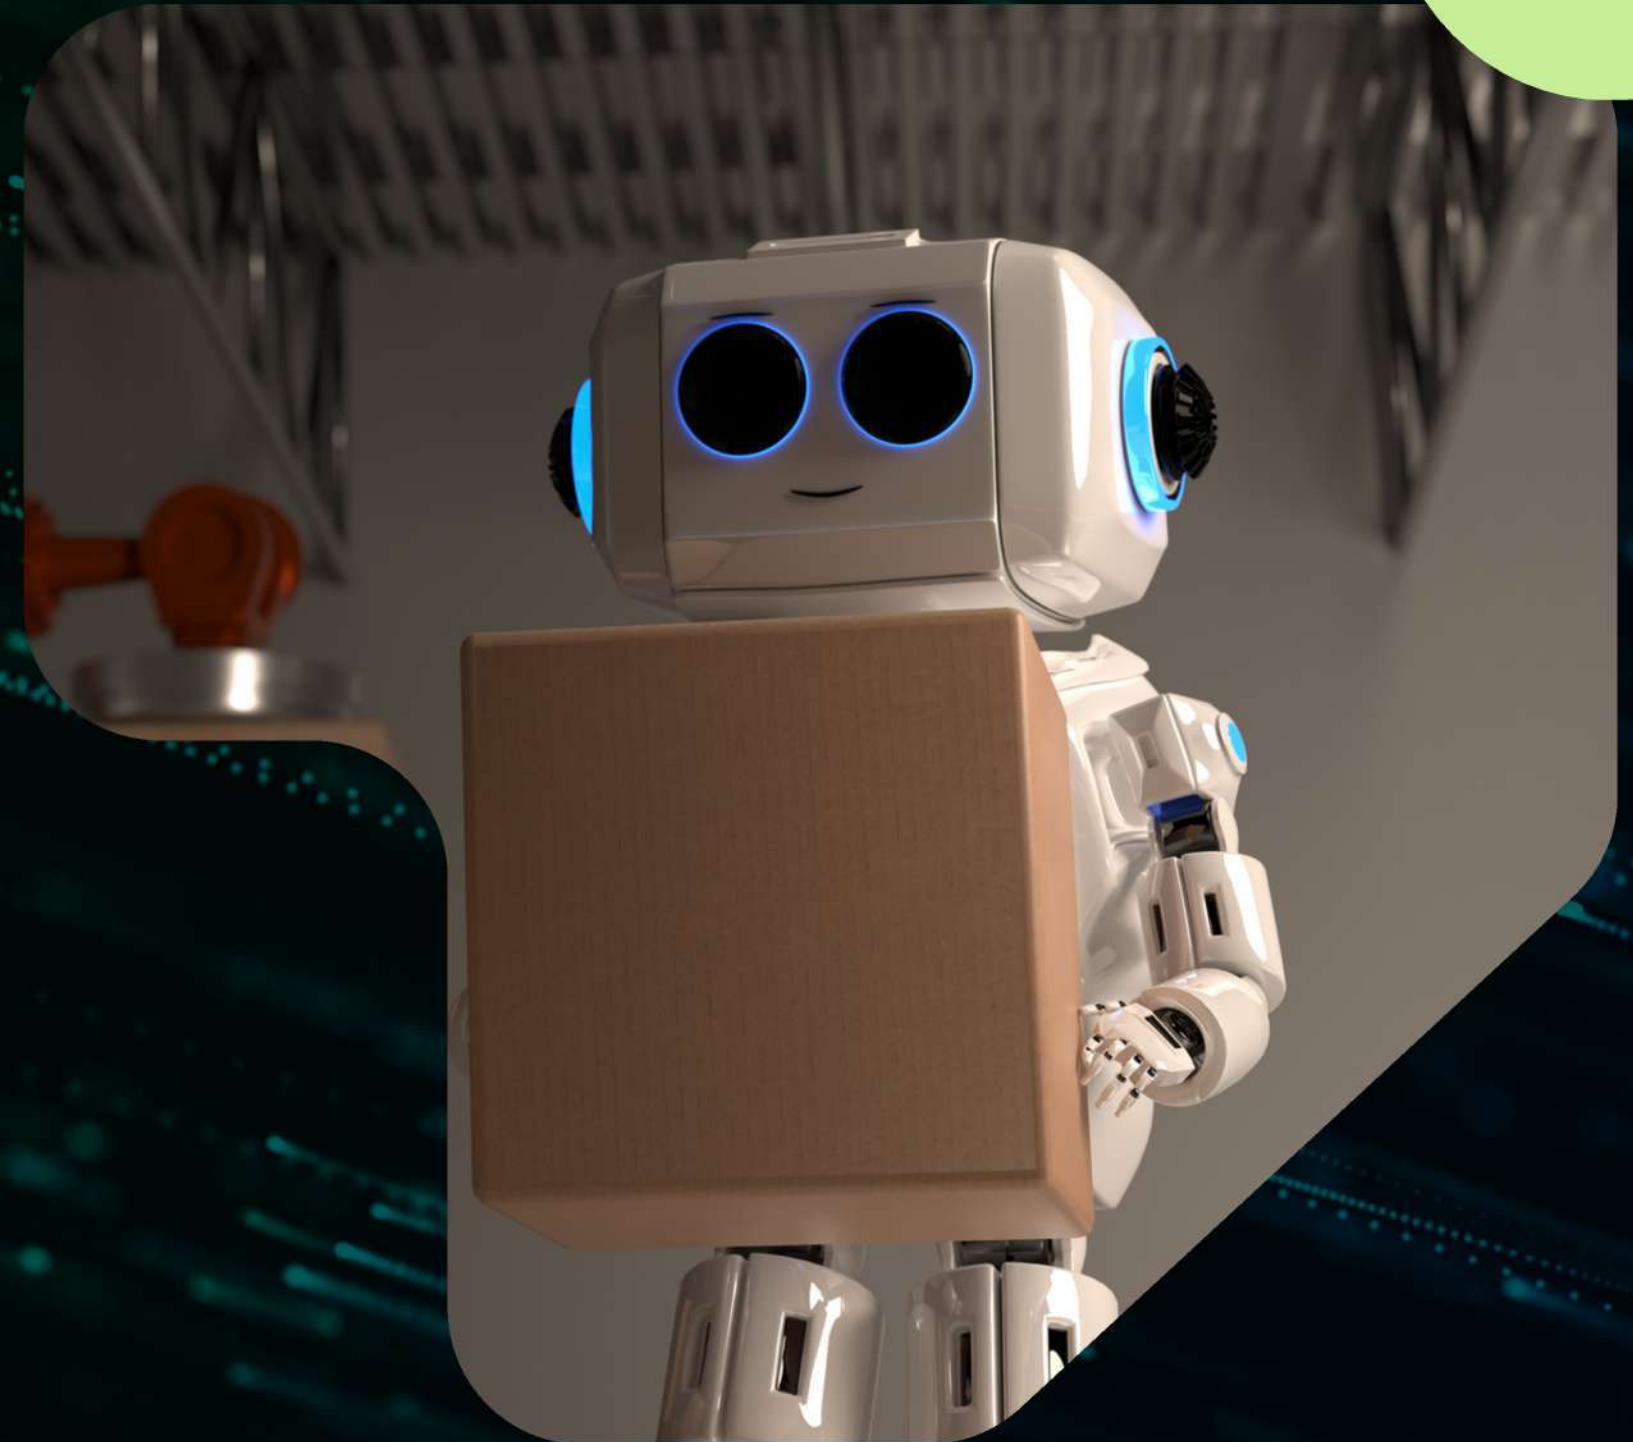

Presented by Team 15 (Bhuvan, Pranav, Jeevan and Tanag)

TEAM 15

WELCOME

Hello, We are:

- Bhuvan V.
- G. P. Pranav Vittal
- K A Jeevan Raghav
- K. B. Tanag Sai

PROBLEM STATEMENT:

Devices still rely on cables that break, overheat, and limit mobility
Charging ports wear out → repair cost & e-waste
In industrial & medical environments, wires can be unsafe
Need for safer, cleaner and seamless power delivery
